Subject to the provisions of all subsections below, the following constitute the penalties that may be imposed by the District Executive Committee following a determination of a violation of the *UIL Constitution and Contest Rules*. School district personnel covered by this section include athletic trainers employed by the district and all UIL contest sponsors. (See Sections 50, 51 and 52 for Classification of Violations).

a) **FOR STUDENT REPRESENTATIVES.** Subject to the provisions of all subsections below, the following constitute the penalties that may be imposed by the District Executive Committee following a determination of a violation of the *UIL Constitution and Contest Rules*. School district personnel covered by this section include athletic trainers employed by the district and all UIL contest sponsors. (See Sections 50, 51 and 52 for Classification of Violations).

The penalties that may be imposed by a District Executive Committee on a student representative of a member school for violations of ethics, sportsmanship codes, eligibility rules, contest plans or reporting practices as provided for in Section 50 are: reprimand and individual suspension.

(1) *Reprimand.* A reprimand shall be in writing and shall state the violation found, with one copy going to the school and one copy being attached to the minutes of the meeting. A reprimand may include a probationary period of up to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in a more stringent penalty.

(2) *Individual Suspension.* If a District Executive Committee finds that a student has failed to comply with the rules it may suspend the participant student from competition, including practice, in all germane activities for up to three (3) years. Suspension may include a probationary period of up to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in additional suspension. For students found to have changed schools for athletic purposes, [See Section 443 (f) (3)].

(b) **FOR MEMBER SCHOOLS.** The penalties that may be imposed by a District Executive Committee on a member school for UIL Constitution and Contest Rules violations by member school student representatives, fans, patrons or personnel, of ethics, sportsmanship codes, eligibility rules, contest plans or reporting practices are: reprimand; public reprimand; forfeiture of contest; disqualification from germane activity; and suspension recommended.

(1) *Reprimand.* A reprimand may be oral or in writing and shall not be published in the Leaguer. A penalty stronger than reprimand to the school should be strongly considered in cases involving patron or fan misconduct.

(2) *Public Reprimand.* A public reprimand shall be in writing, published in the Leaguer, and state the violation found. A public reprimand may include a probationary period of up to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in a more stringent penalty.

(3) *Forfeiture Of Contest.*

(A) *Minimum Penalty for Ineligible Contestant.* A District Executive Committee shall forfeit the contest won by the individual or school, as a minimum penalty, if it finds that an individual contestant was not eligible to participate in the contest.

(B) *Mandatory Forfeiture for Participation of an Ineligible Student Under Court Order.* If a student who is finally determined to be ineligible participates in a UIL contest under a temporary or other court order, the District Executive Committee shall forfeit the contest.

(C) *Violations by Personnel or Participants.* The District Executive Committee may order contests to be forfeited prior to or after the competition for violations of rules by covered school district personnel and/or participants if an unfair advantage was gained.

(4) *Disqualification.*

(A) *Disqualification from District Honors.* Disqualification from district honors shall deny the awarding of district championship honors and deny participation in UIL contests beyond the district level for a period of up to three (3) years. This penalty may include a probationary period of up to three (3) years and any reasonable conditions, which if not fulfilled, may result in an extension of the disqualification or recommendation of suspension to the State Executive Committee. The penalty of disqualification may be appealed to the State Executive Committee.

(B) *Mandatory Disqualification.* The District Executive Committee shall disqualify a member school from all germane activities if the member school or school district has failed materially and knowingly to comply with the Constitution and/or Contest Rules, or if the member school or school district has knowingly and intentionally permitted an ineligible individual to represent it in a UIL contest, or if the member school or school district has competed against or participated in a tournament with a non-school team composed of

one or more UIL member high school students with remaining eligibility in that sport, in violation of Section 1208. The penalty of disqualification may be appealed to the State Executive Committee.

(5) *Suspension Recommended.*

(A) *Competing Against a Suspended School.* If a District Executive Committee finds that a member school has knowingly competed with a suspended school in a germane contest or scrimmage, it shall submit to the State Executive Committee its findings and recommend that the member school be suspended.

(B) *Other Offenses.* If in the opinion of the District Executive Committee the offense is of sufficient gravity to warrant suspension in the germane activity, the committee shall make such recommendation and transmit its findings to the State Executive Committee. The State Executive Committee shall determine whether or not the offending school shall be suspended.

(c) **FOR SCHOOL DISTRICT PERSONNEL.** The only penalty that may be imposed by the District Executive Committee on school district personnel is reprimand. Following a protest or report of violation as provided for under Section 51, the committee may issue a reprimand to a covered school district employee if it finds that the employee violated the Constitution and Contest Rules. If a reprimand is appealed to the State Executive Committee, the District Executive Committee shall provide the State Executive Committee a complete record of the minutes of the meeting wherein the decision was made. If the committee decides that a public reprimand or suspension should be considered, the committee shall transfer the protest or report of violation to the State Executive Committee for disposition.

4. Calendar and Site Selection Committee

A. Designated Members

Region Executive Secretary (chair)

Elected Region Officers:

- HS Band Chair
- MS Band Chair
- HS Choir Chair
- MS Choir Chair
- HS Orchestra Chair
- MS Orchestra Chair

B. Calendar and Contest Dates

- The sCalendar and Site Selection Committee will meet each spring, either in person or by digital communication, to set dates and sites for upcoming school year. Testing dates, academic dates, spring breaks, holidays, etc. are observed as the UIL Music Calendar is developed.

- Dates set by the committee become the official dates for all region music contests. Because contests dates across the state typically fall into the same time periods, this finalization of dates allows adjudicators to be hired for the upcoming school year in a timely manner.

C. Site Selections for Contests

- Members of the Calendar and Site Selection Committee are asked to recommend sites for the upcoming year's music contests. It is helpful for members to have verified that the sites recommended can and will be willing to host the contest. Every effort will be made to ensure that a site can accommodate the contest. The campus should include appropriate auditorium, warm-up room, sightreading room, and contest office.
- The UIL Music Executive Committee has ruled that all UIL music contests will be held on school district campuses/facilities.

5. Judge Selection and Hiring Process

A. Marching Band / Concert and Sightreading Contests

- Band, Choir, and Orchestra Directors are given the opportunity to vote for judges via an on-line survey prior to the hiring of judges for the upcoming school year. The results of the voting are tallied by the Division Chair so that potential judges may be invited to judge for Region 20 in the order of the survey ranking. Directors are encouraged to consider a broad section of highly qualified judges from across the state.
- The Region Executive Secretary or his designee will contact the potential judges and extend an invitation for them to adjudicate the assigned contest. The Executive Secretary will hire and send contracts to selected judges for all UIL contests.
- Marching Band Contest in Region 20 includes bands from classifications 3A/4A/5A/6A. Separate panels will be hired to judge the 3A/4A/5A classifications and the 6A classifications. The Region Executive Secretary or his designee will attempt to hire judges who are familiar with the respective classifications to adjudicate the Region Marching Contest.

B. Solo and Ensemble Contests

- The Region Executive Secretary or his designee will be responsible for contacting the necessary judges for the region's Solo and Ensemble Contests. The Executive Secretary will send contracts to selected judges for all contests.
- Region 20 is fortunate to have numerous and clearly outstanding programs in our neighboring regions. To hire quality Solo and Ensemble Judges but also hold down travel and hotel expenses, the Region Executive Secretary or his designee will make every effort to hire judges for Solo and Ensemble Contests from these neighboring regions. Hotel accommodations and large travel expenses should not be needed for these contests.

6. Contest Honorarium & Expenses for Judges, Designated UIL Contest Administrators, and Hosts

Contest Host Honorarium for all UIL events will include an additional \$100 per event for contest preparation time. Saturday contests scheduled for more than 8 hours of judging time will also include overtime pay for hosts at the rate paid to judges for that event.

D. Solo and Ensemble Contests

- In addition to the Contest Host/Organizer honorarium, UIL will pay one additional honorarium to a Co- Host as designed by the Contest Host for All Solo and Ensemble Contests.

7. Assessment of Fees

- UIL Region 20 Music Executive Committee, with the guidance of the UIL Region 20 Music Executive Secretary, has set a fee structure comparable to most regions across the state. Each individual contest or division is not set up to balance income vs. expenditures by contest or division. Instead all income from entry fees is used to pay all expenses for the region including judge's honorarium, hotel and travel expenses, state fees, awards, recording fees, and contest host and administrative expenses as approved by the UIL Region 20 Music Executive Committee. A detailed income and expenditure report is presented to and approved by the Region Music Executive Committee annually and filed with the UIL State Office each year.
- Pursuant to the UIL Constitution and Contest Rules and League policy, UIL Region Executive Committees are responsible for reviewing and approving the overall Region's operations.

8. Contest Host/Organizer Responsibilities and Guidelines

- The Region Executive Secretary will develop guidelines for Contest Host/Organizer to prepare and facilitate the contest to be hosted on the school campus or district stadium.
- Contest Host/Organizer will coordinate with participating schools the details for the contest including routing of students, bus parking, room assignments, posting of necessary information signs, etc.
- Contest Host/Organizer will coordinate with adjudicators regarding travel plans, arrange to have someone pick up judges from airport if necessary, arrange for transportation of judges to and from hotel if necessary, hospitality (*water, coffee, cold drinks, snacks*), and meals (*at the approved per diem rate*) for judges and contest administrators that must be scheduled during contest day. Costs incurred will be reimbursed to the Host at the end of the contest.

9. Piano Rental for Solo & Ensemble Contests

- The Executive Secretary will communicate with the Contest Host/Organizer to finalize rental of pianos for Solo & Ensemble Contests.
- Due to the number of pianos needed, tuning requirements and portability, digital pianos will be rented when available for Band, Choir, and Orchestra Solo & Ensemble Contests.

10. Instrument Rental for Organizational Contests

- Rental of instruments for Organizational Events is not a reimbursable UIL expense. This includes Field Percussion, Sound Equipment, Risers, Grand Pianos, Harps, etc. Schools needing that equipment must provide it for their competition performance.
- Schools volunteering their facilities for Concert and Sightreading Contest should provide any necessary pianos, stands, chairs, and basic percussion equipment. Performing organizations must be prepared to bring all other necessary performance instruments which may include platform risers should they be needed.

11. Awards – Ordering, Delivery and Presentation

- The Region Executive Secretary will be responsible for the ordering, delivery and presentation of all awards for UIL Contests.
- Trophies and Medals will either be drop shipped directly to the school or brought to the contest by the Region Executive Secretary.

12. Ordering and Final Distribution of Sightreading Music

- The Region Executive Secretary will be responsible for the ordering of all sightreading music for UIL Contests.
- Following all the region's music contests, the Region Executive Secretary will make the sightreading music available for sale at a slightly reduced rate to the directors in the region. This practice of selling the music back to the schools for future sightreading practices is common across the state. It also helps to offset the high cost of initial purchase of the music.
